## Guide to the James A. Moore Papers, 1966-2000

### Title

James A. Moore Papers (MSS MooreJA)

### Dates

1966-2000 (inclusive)  
1980-1999 (bulk)

### Creator

Moore, James A. (James Allan), 1939-

### Summary

The James A. Moore Papers consist of articles and publications written by Moore pertaining to animal waste management. Moore was a faculty member in the Department of Bioresource Engineering and an Extension Agricultural Engineer at Oregon State University from 1979 until his retirement in 2002.

### Quantity

0.6 cubic foot (1 box)

### Restrictions on Access

Collection is open for research.

Finding aid prepared by Elizabeth Nielsen, 2008.

## Biographical Note

James A. Moore joined the faculty of Oregon State University in 1979 as an Associate Professor and Extension Agricultural Engineer. He was promoted to full Professor in 1985 and served as head of the Bioresource Engineering Department from 1996 until his retirement in 2002.

Moore earned his BS degree in 1962 from California State Polytechnic College, his MS in 1964 from the University of Arizona, and his Ph.D. in 1975 from the University of Minnesota.

## Content Description

The James A. Moore Papers consist of journal article reprints, contributions to conference proceedings, Oregon State University Extension Service and Experiment Station publications, and article manuscripts written by Moore pertaining to livestock waste management, water quality issues resulting from livestock grazing, and septic tanks. Several of the publications were co-authored with J. Ronald Miner.

## Preferred Citation

James A. Moore Papers, Oregon State University Archives, Corvallis, Oregon.

## Acquisition Information

Transferred from the Biological and Ecological Engineering Department in 2007.

## Related Material

The OSU Archives collections include the [Bioresource Engineering Department Records \(RG 001\)](#) and Photographs (P 106); the [Agricultural Engineering Department Motion Picture Films \(FV P 106\)](#); as well as the papers of several agricultural engineering faculty, including J. Ronald Miner, Dean E. Booster, and Hugh J. Hansen.

## Subjects

This collection is indexed under the following headings in the OSU Libraries Catalog. Researchers desiring materials about related topics, persons, or places should search the catalog (<http://oasis.oregonstate.edu>) using these headings.

## Organizations

### Topics

Animal waste--Management--Congresses.

Dairy farms--Waste disposal--Oregon

Land treatment of wastewater.

Livestock--Housing--Waste disposal.

Septic tanks--Oregon.

Water temperature--Oregon.

### Other Creators

Miner, J. Ronald.

Oregon State University. Agricultural Experiment Station.

Oregon State University. Extension Service.
