

Assignment Three Objectives	Exemplary (2 points)	Acceptable (1 point)	Unsatisfactory (0 points)	Points
<b>Q. 1: Generate a variety of promising research questions.</b>	Write down 3 or more promising research questions. The questions should be complex enough to guide your research process.	Write fewer than 3 promising research questions, or writes down questions that are too limited or fact-based to guide your research.	Does not complete the assignment.	/2
